Intro

Passionate and experienced design leader with 9+ years experience working at both startup and global tech companies creating products, systems that work for millions of users

—

Experience

Google / UX Designer
Apr 2020 - Present, London, UK

Spearheaded the design of the Android Enterprise ecosystem solution; creating products for both administrators and end users, including Zero-touch Portal, Android Enterprise Essentials, and Work Profile; provided UX guidance to top Android OEMs such as Samsung, Xiaomi, and OPPO; collaborated with partners teams globally

Meta / Product Designer
Sep 2019 - Feb 2020, London, UK

Leading the design of the Meta internal video conference system, creating a user-friendly interface on laptops and meeting room tablets, facilitating a smooth transition to remote work during the beginning of Covid pandemic

DocuSign / Senior Product Designer
Jan 2016 - Aug 2019, San Francisco, US

Oversaw the design of DocuSign's iOS and Android apps, shaping the design of the company's next-gen iOS mobile app; led projects like stamp and new user onboarding wizard to increase user growth; mentored junior designers and collaborated with teams across the organization; organized and spoke at DocuSign's first SF design week event, presenting to over 100 attendees

Citrix Systems / Product Designer
Oct 2013 - Jan 2016, San Francisco, US

Collaborated closely with PM, ENG, and a team of UX designers, visual designers, content writers, and researchers, from product planning to release; worked on three products within the Worx App Suite across platforms, including iOS, Android, Windows Phone, and the web

Education

Carnegie Mellon University / Master
Aug 2012 - Aug 2013, Pittsburgh, US

Master of Human-Computer Interaction

Beijing University of Posts and Telecommunications / Bachelor
Sep 2008 - June 2012, Beijing, China

Bachelor of Engineering in Telecoms Engineering

Talk

San Francisco Design Week / Speaker
Jun 2018, San Francisco, US

Organized DocuSign's first SF design week event; had over 100 external guests joining on the day; also gave a talk as one of three speakers at the event
